Details

Every  
Building  
in the State

A unique  
GeoCode  
for every  
building

A unique  
ID number  
for every  
building

Sub-Building  
Details

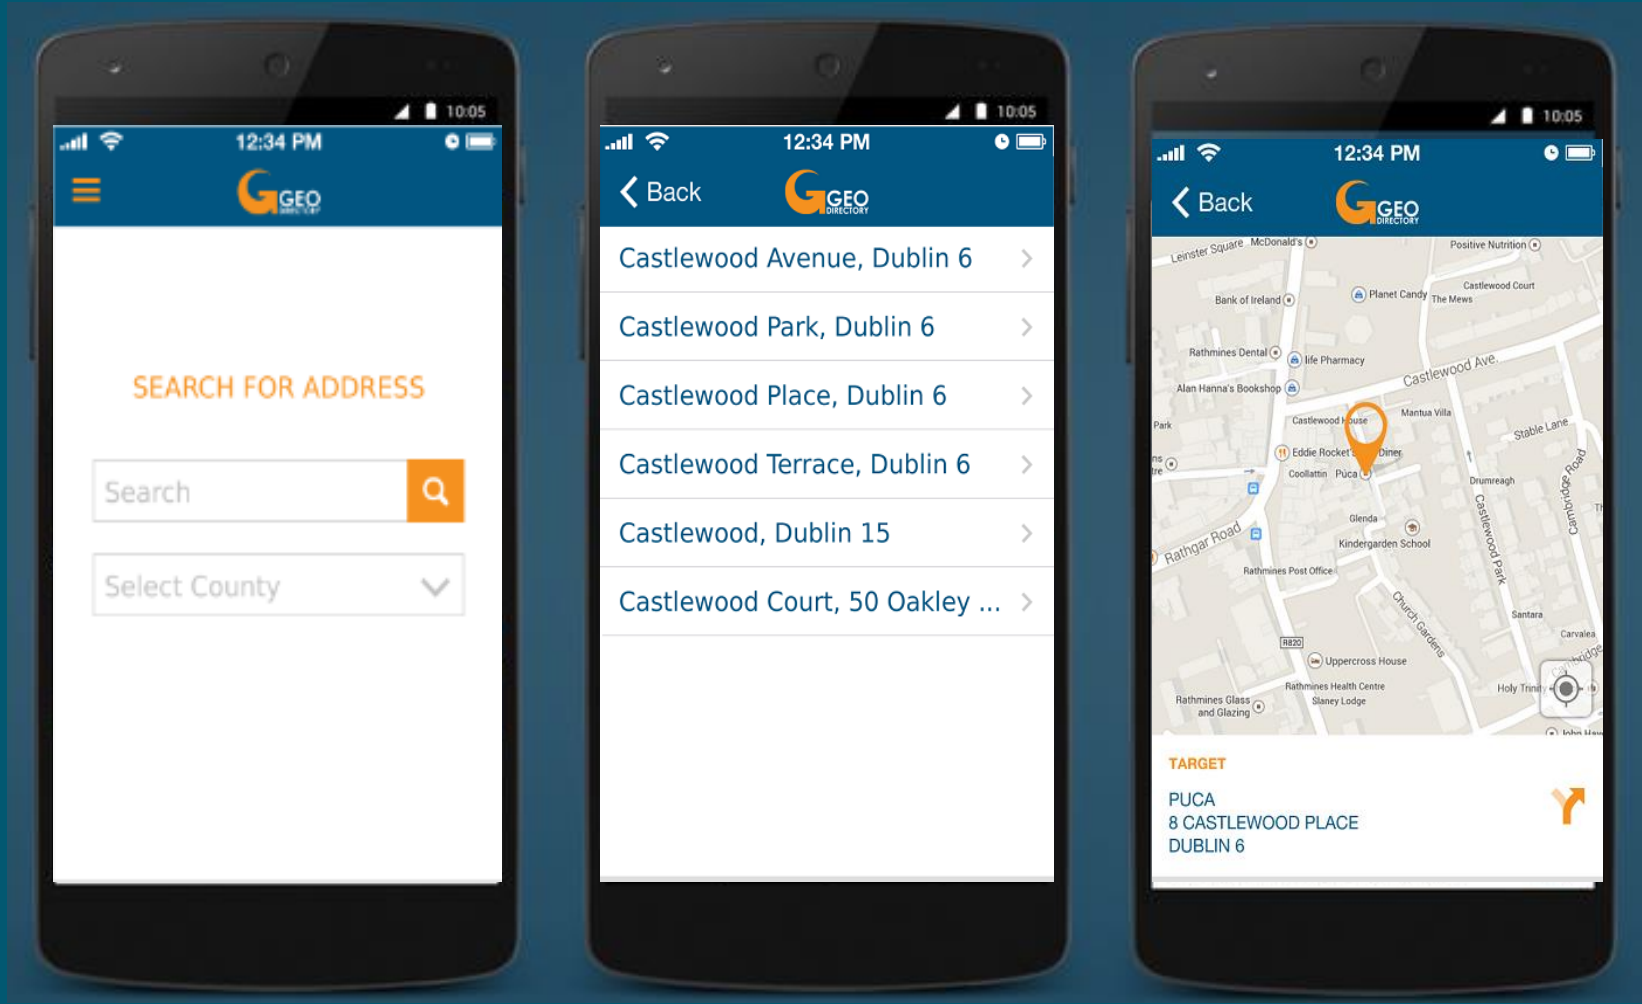

Building  
Names &  
Building  
Numbers

## More than just a free map app!

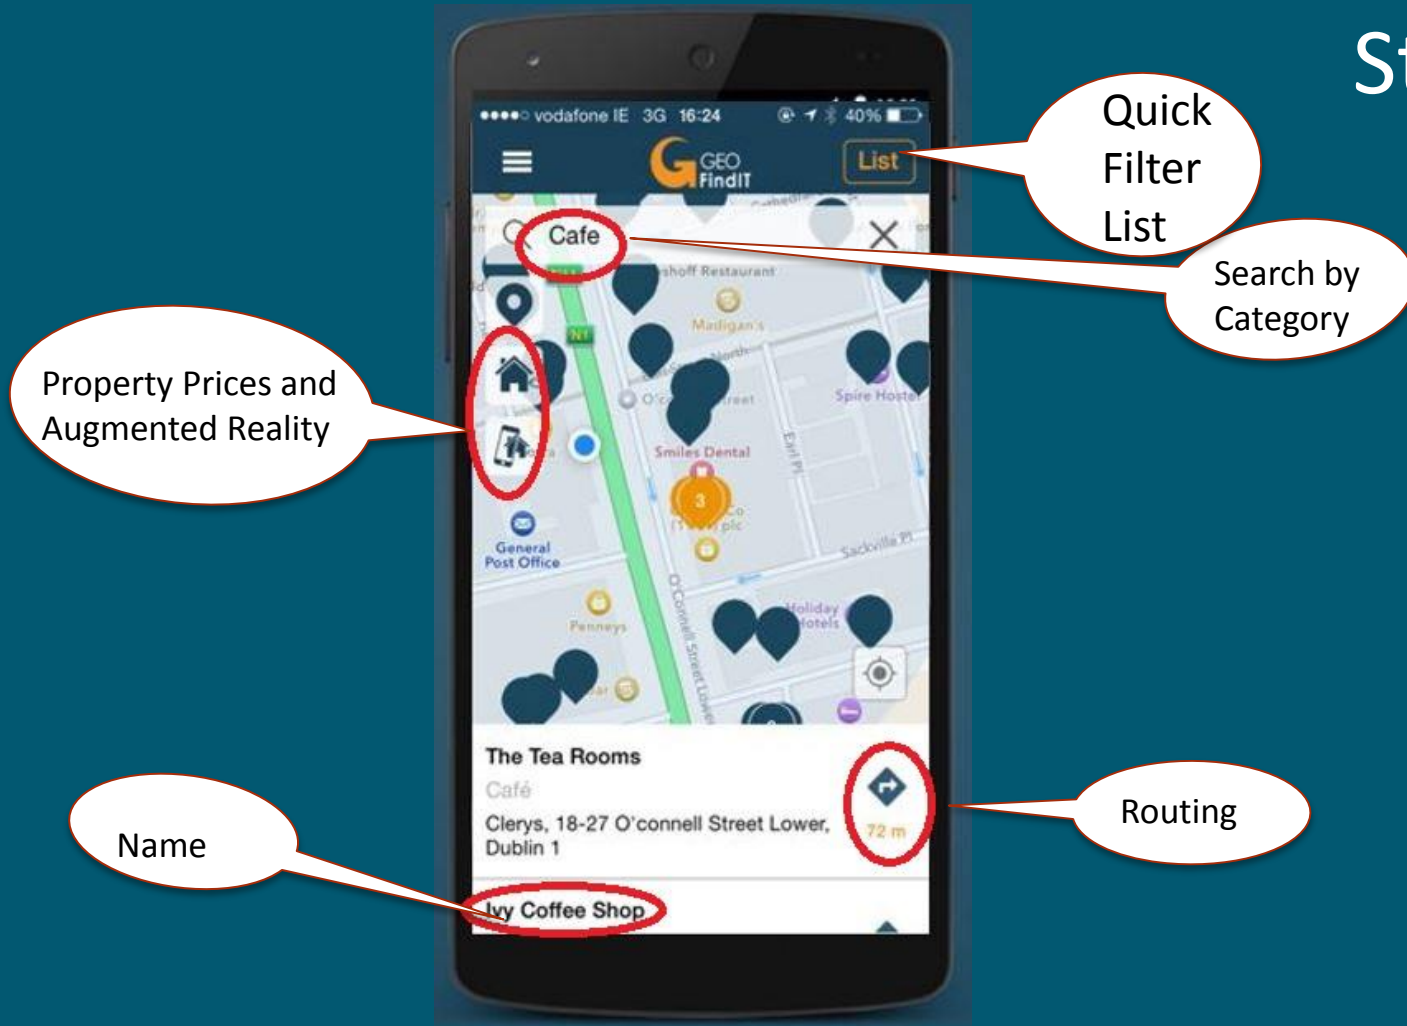

GeoFindIT was created to visually demonstrate how data can be used. GeoFindIT features just under 3 million address points across the island of Ireland - more addresses than any other Irish app.
